

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of the resolution.

SPEAKER NICHOL: Mr. Clerk, we are ready for LR 27 which does not show on your daily agenda.

CLERK: Mr. President, LR 27 is offered by the members of the Eightieth Legislature, First Session. It would read as follows: (Read LR 27 as found on pages 308-309 of the Legislative Journal.) Mr. President, in order to consider LR 27 today it will be necessary to suspend Rule 4 in Section 6.

SPEAKER NICHOL: Before we have Senator Clark or any of the others speak on the resolution that wish to, we will first need to suspend the rules so that we can handle this. So all of those in favor of suspending rules please signify by voting aye. Voting aye, Mr. Clerk. We are voting to suspend the rules. Record, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Mr. President, on the motion to suspend the rules.

SPEAKER NICHOL: The rules are suspended. Senator Clark.

SENATOR CLARK: Mr. President, members, I suppose the greatest friend I ever had in here was Senator Marvel. I have known him for about 25 years. I have served with him for 14 years and I have served with him on the uddget ommittee for 6 years, four of those as vice chairman of the budget. A more dedicated person I don't think has ever been in this Legislature and probably if you want to describe him as such, you might say he is a gentleman's gentleman. He is a man that was fair to everyone. He didn't create any waves while he was in here even though he had many disagreements with other people, it was always in a gentlemanly fashion. I would certainly hope that we would pass a resolution honoring a man who has given almost his entire life to the Legislature of the State of Nebraska.

SPEAKER NICHOL: Thank you, Senator Clark. Senator Shirley Marsh.

SENATOR MARSH: Mr. Speaker and members of the Legislature, I, too, have known Dick Marvel for a long time. I was nine when I first met him and he was a basketball star at Hastings College. Our families have been close friends through the years. He is a person who encouraged me to return to school. He is a person who has been a true mentor for new legislators in this body to encourage them to measure up to their own high standards. I am very proud to have known Senator Richard Marvel for many years and very pleased to be able to vote for LR 27 honoring this very fine gentleman. Thank you very much.
